Re: CC Docket No. 00-257

Dear Ms. Dortch:

In line with the requirements of 47 CFR Sec. 64.1120(e), American Fiber Systems of Georgia, Inc. ("AFSGA") hereby submits the following.

Effective on or about August 20, 2004 AFSGA plans to acquire a small base of presubscribed long distance and local dial tone customers from Marietta FiberNet. Upon completion of the acquisition AFSGA intends to continue to provide the same services to these customers.

Additionally, please accept this letter as certification that AFSGA has provided advance subscriber notification in accordance with 47 CFR Sec. 64.1120(e)(3), with the obligations specified in that notice, and with other statutory and Commission requirements that apply to this streamlined process. A copy of the subscriber notification is enclosed with this letter.

Please date stamp and return the extra copy of this certification letter in the envelope provided.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bruce T. Frankiewich".

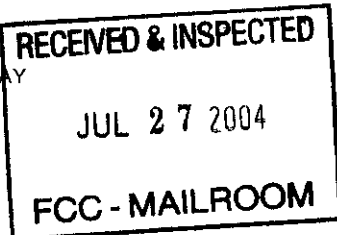

Bruce T. Frankiewich

Welcome to American Fiber Systems of Georgia, Inc.!

Dear Marietta FiberNet Customer,

As you may know, Marietta FiberNet ("MFN") and American Fiber Systems of Georgia, Inc. ("AFSGA") have agreed to combine their organizations. We are pleased to announce that the combination is scheduled to occur on or about August 20, 2004. At that time, the connectivity and services you receive from MFN will be provided by AFSGA. We would like to take this opportunity to welcome you to AFSGA and to share with you additional information about the advantages this new organization will offer your business.

Our combined team is delighted to be a part of the Marietta and greater Atlanta metropolitan community. We are committed to you and to the area, and will do everything possible to further the solid relationships the MFN team has developed within the region.

Accordingly, we are striving to make this transition as easy as possible for you. You can expect the same level of excellence in customer care, provided by the same familiar faces, as MFN combines with AFSGA. We believe that local decisions made by the same associates you have always worked with allow us to put our customers first. Together, we will be a world-class organization, known for our quality-driven, customer-focused employees, our industry expertise and high performance network infrastructure – and now – our enhanced strength in the Atlanta region.

You can also have a high level of confidence in the strength and stability of American Fiber Systems, Inc. We own a dense collection of metropolitan fiber assets that span more than 76,304 fiber miles in several cities across the country. Additionally, we have made multi-million dollar investments in technology to bring a broader array of networking services to our customers. Our customers are always our highest priority.

As this process moves forward, you will have the opportunity to move to a different carrier. Before you make that decision, we want you to know that all of the rates, terms and conditions of service that you have benefited from with MFN will remain in effect with AFSGA. We are readily available to answer any questions or address any complaints that may arise as a result of the transfer, both during and after the transition. You have our firm commitment that we will strive to satisfactorily resolve any issue you may have.

It is our fervent hope that you will choose to remain as our customer. To do so, do nothing and your account will automatically transfer to AFSGA when the consolidation takes place. However, if you elect to go with a different provider, we will cover any carrier change charges that you incur as a result of switching.

It is our sincere belief that you will be satisfied with the service that we provide to you. We are always interested in suggestions that will allow us to improve upon our already high standards and encourage you to submit your thoughts. If you have any questions concerning the combination of MFN and AFSGA, please contact Gail Funderburk, Sales Director, at (770) 794-5184; e-mail to: gfinderburk@mfnet.net, or any one of the AFS/MFN team.

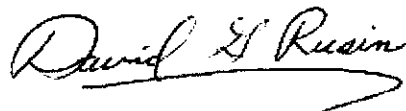

Again, thank you for the opportunity to be your communications partner. We look forward to a smooth transition in the coming months and we want to welcome you American Fiber Systems of Georgia, Inc.

Sincerely,

H. E. Godshall
Director
